Canada PTE Core & CLB Planner

Track your PTE Core skill scores against the CLB levels you need for Express Entry.

Make sure you take the right test

PTE Core is the PTE test IRCC accepts for economic immigration. PTE Academic is mainly for study. Confirm the official conversion table on canada.ca.

My CLB targets

Skill	CLB target	PTE Core score needed (from IRCC table)	Mock 1	Mock 2	Mock 3
Speaking					
Writing					
Reading					
Listening					

Why balance matters

Each skill converts to its own CLB level, and your lowest skill can limit eligibility or points. Lifting your weakest skill is often the fastest way to gain points.

Checklist before booking

- ☐ I've confirmed my programme accepts PTE Core
- ☐ My name on Pearson matches my passport exactly
- ☐ My last two mocks reached my CLB targets in every skill
- ☐ I've planned a buffer before my application deadline
